The Planning Commission acknowledges that we are on the unceded ancestral homeland of the Ramaytush Ohlone, who are the original inhabitants of the San Francisco Peninsula. As the indigenous stewards of this land and in accordance with their traditions, the Ramaytush Ohlone have never ceded, lost, nor forgotten their responsibilities as the caretakers of this place, as well as for all peoples who reside in their traditional territory. As guests, we recognize that we benefit from living and working on their traditional homeland. We wish to pay our respects by acknowledging the Ancestors, Elders, and Relatives of the Ramaytush Ohlone community and by affirming their sovereign rights as First Peoples.

the Potrero Yard Muni Bus Maintenance Facility with the incorporation of a mixed-use development including approximately 575 dwelling units and other retail and community serving uses. At completion, the development would include a new structure that would range from 75 to 150-feet in height and include approximately 723,000 square feet of bus facility use, approximately 544,000 of residential use, and approximately 33,000 square feet of commercial use. The site is currently within a P (Public) Use District and 65-X Height and Bulk District.

1567 CALIFORNIA STREET – southeast corner at the intersection of California and Polk Streets; Lots 014, 014A and 015 in Assessor’s Block 0645 (District 3) – Request to amend the Conditional Use Authorization granted under Motion 20657 in order to request an additional **Waiver from Height** (Section 260) pursuant to the Individually-Requested State Density Bonus Program to achieve a density bonus. On February 13, 2020, under Motion No. 20657, the Planning Commission granted a request for conditional use authorization, as well as four waivers and an incentive pursuant to the individually requested State Density Bonus Program to approve the proposed project at 1567 California Street. The approved Project would demolish the existing two-story commercial building and associated surface parking lot, and would construct an eight-story over-basement, approximately 80-foot tall mixed-use building including approximately 9,823 square feet of ground floor commercial space and 100 dwelling units. The project site is located within the Polk Street Neighborhood Commercial District (NCD) and 65-A Height and Bulk District. At the time of project approval, the Height and Bulk Map incorrectly identified approximately 22 parcels, including the subject property, as having a height limit of 80 feet. The correct height limit for these approximately 22 parcels, including the subject property, is 65 feet; therefore, an additional height waiver is required to allow the project to proceed. The design of the Project remains unchanged from the version previously approved by the Planning Commission. No other changes are proposed to the Project or its prior approvals, except that the Project seeks to increase the number of on-site affordable units that will be provided.
- Preliminary Recommendation: Approve with Conditions*

Public Comments: Persons attending a hearing may comment on any scheduled item.

- ❖ When speaking before the Commission in City Hall, Room 400, please note the timer indicating how much time remains. Speakers will hear two alarms. Sound-Producing Devices Prohibited: The ringing of and use of mobile phones and other sound-producing electronic devices are prohibited at this meeting. Please be advised that the Chair may order the removal of any person(s) responsible for the ringing or use of a mobile phone, pager, or other similar sound-producing electronic devices (*67A.1 Sunshine Ordinance: Prohibiting the use of cell phones, pagers and similar sound-producing electronic devices at and during public meetings*).

3. A presentation of opposition to the proposal by organized opposition for a period not to exceed 10 minutes (or a period equal to that provided to the project sponsor team) with a minimum of three (3) speakers. Pursuant to Government Code Section 65009, if you challenge, in court, (1) the adoption or amendment of a general plan, (2) the adoption or amendment of a zoning ordinance, (3) the adoption or amendment of any regulation attached to a specific plan, (4) the adoption, amendment or modification of a development agreement, or (5) the approval of a variance, conditional-use authorization, or any permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Planning Commission, at, or prior to, the public hearing.

CEQA Appeal Rights under Chapter 31 of the San Francisco Administrative Code

If the Commission's action on a project constitutes the Approval Action for that project (as defined in S.F. Administrative Code Chapter 31, as amended, Board of Supervisors Ordinance Number 161-13), then the CEQA determination prepared in support of that Approval Action is thereafter subject to appeal within the time frame specified in S.F. Administrative Code Section 31.16. This appeal is separate from and in addition to an appeal of an action on a project. Typically, an appeal must be filed within 30 calendar days of the Approval Action for a project that has received an exemption or negative declaration pursuant to CEQA. For information on filing an appeal under Chapter 31, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102, or call (415) 554-5184. If the Department's Environmental Review Officer has deemed a project to be exempt from further environmental review, an exemption determination has been prepared and can be obtained on-line at <http://www.sf-planning.org/index.aspx?page=3447>. Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors, Planning Commission, Planning Department or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision.

Protest of Fee or Exaction

You may protest any fee or exaction subject to Government Code Section 66000 imposed as a condition of approval in accordance with Government Code Section 66020. The protest must satisfy the requirements of Government Code Section 66020(a) and must be filed within 90 days of the date of the first approval or conditional approval of the development referencing the challenged fee or exaction. For purposes of Government Code Section 66020, the date of imposition of the fee shall be the date of the earliest discretionary approval by the City of the subject development.

The Planning Commission's approval or conditional approval of the development subject to the challenged fee or exaction as expressed in its Motion, Resolution, or Discretionary Review Action or the Zoning Administrator's Variance Decision Letter will serve as Notice that the 90-day protest period under Government Code Section 66020 has begun.
